

M38 Serial number Database

Please note that this is a work in progress and the information provided has been collected by Wes Knettle from people who volunteered their vehicle information.

This information was last updated in 2004. **More data will be added as we get time.**

Copies for personal use only are permitted. Do not publish or transmit this information without written permission.

Please contact us or fill out the M38 vehicle survey to help us make this database more complete.
